

# Asking For Help: Build Your A-Team

Your Name: \_\_\_\_\_ Date: \_\_\_\_\_

Think back to your answers about yourself and your team in the “Being A Team Player” Worksheet from Lesson 2 of this Foundations Module and build your A-Team—the people who support you most and help you be successful in your role. Also include other people who are not a part of your department team—people throughout the dealership who are available to answer questions and make things happen for you and your customers. These are your go-to people when you need to ask for help.

Who do you think might include you on their A-Team?

What are some things you can do to improve your relationships with your peers and supervisors so you can all be a stronger source of support for one another at work?
